Beaver Creek Man

Held On Manslaughter Charge After Fatal Sunday Accident On US-27

A Beaver Creek man will face a manslaughter charge in Crawford County Circuit Court at the next term following his arrest and arraignment concerning a fatal traffic accident at the intersection of US-27 and Fletcher Road south of Grayling last Sunday afternoon. James Earl Rankin, 52, of Beaver Creek Township was arrested by State Troopers of the Houghton Lake Post after they policed the occurrence which resulted in the death of Joanne Woods, 18, of Drayton Plains.

According to investigating officers the tragedy occurred about 4:20 p.m. Sunday afternoon at the intersection with the teenage girl succumbing at Grayling Mercy Hospital about 5:27 the same afternoon.

Rankin appeared before Justice of the Peace Olin Williamson on Monday on the charge and waived examination. He was bound over to Circuit Court on the charge and bond was set at \$5,000. The bond had not been met as of Tuesday morning and Rankin was still held at the Crawford County jail.

The fatal wreck occurred as the victim and her party were returning from a Northern Michigan outing. The car in which she was riding, driven by John Drabik, 20,

FRIENDS

Complacency, broken homes, and too much money are among the chief causes of crime according to the discussion held at the well-attended meeting of the Friends of Northwood — Institute, Howard Guimond, Director of the Midland Big Brothers; and Joseph Daws, speech instructor at Northeast Intermediate School in Midland.

Chairman for the District Contest was Mack V. Dinsmore of Midland, who briefly touched on their reasons for crime in Crawford County; however, both men stated they believed Crawford County is a good place to live, crime-wise, as we just haven't the problems of cities larger or further south than Grayling. Time ran out on this topical subject of crime, which according to national statistics is increasing six times faster than the population. Coffee and cake were served by Mrs. Vernon Gardner while individual discussion continued.

At the business meeting preceding the program further discussion was held on ways of retiring the fifteen thousand dollar mortgage on the new Library building. Of interest is the fact that there are now 2,673 library card holders, with 83 of that number adult borrowers. We are fast becoming a community of readers and our new library building facilities certainly offer the major incentive for this interest.

Grayling School Displayed At National Convention

A display featuring Grayling's elementary school was entered in the 1966 School Building Architectural Exhibit at Atlantic City, N.J., by the Davenport Architectural firm of Grand Rapids, designers of the building.

The exhibit was held in conjunction with the national convention of the American Association of School Administrators. The display, which featured large photos, floor plans, and explanatory materials, was prepared by the Davenport company with the cooperation of Joseph Stripe.

Policy Declaration for the Workable Program for Community Improvement

Once again, it is time to make to the people of Grayling, a Declaration of Policy, setting forth the accomplishments of the past year, and getting up new projects for the coming year.

Grayling has made great strides in the past four years toward improving the City and the services to its people. A great many things are yet to be accomplished.

This past year saw the move from the old City building on Ottawa St. to the new City Hall. This new building is a great asset to the City and to the people who are employed there. Also, we have a new modern County Library just across the street. This building is a great stride toward adding to the culture of our City and community.

Late last summer, a water treatment program was started to improve this facility by eliminating the red water from our mains and to clear up the odors that were so prevalent there.

This past year our Public Housing Project has become a reality and soon will be under construction. This will be a great help to those people who are in need of such a facility.

Our Regional Planning Commission, working with the aid of the 701 Act, has made great strides toward completing this program.

With the completion of this plan, will come ordinances, and codes regulating land uses, building construction and zoning. This will make Grayling a much better place in which to live.

Grayling is now engaged in preparing plans for a street improvement program. If the City is successful in completing these plans, this will mean paving and seal coating our streets, curb and gutters, sidewalks and a new bridge over the river on State Street. This will require that all underground work such as sanitary and storm sewers and water mains, must be completed in areas that do not have these services now.

Robert Ashman Wins District Oratory Contest

Robert Ashman, a Senior at Grayling High School, won first place in the District Oratorical Contest held at Midland on Monday, February 21. His original oration was entitled "We, the People." He had previously won the Grayling High School contest sponsored by American Legion Post 106. As the 10th District winner, Ashman received a \$25 Savings Bond and the right to represent Post 106 in the Zone 4 Contest to be held in Muskegon at 2 p.m. on this coming Saturday, Feb. 26.

Second place honors in the District Contest went to Daniel Kelicovic of Class A Midland Senior High School. His oration was entitled "Spirit of 1776." He received

a cash award of \$10.

Judges for the District Contest

were Professor Joseph Bradley, head of the Speech Department of Northwood — Institute; Howard Guimond, Director of the Midland Big Brothers; and Joseph Daws, speech instructor at Northeast Intermediate School in Midland.

Chairman for the District Contest was Mack V. Lose Twice In Last Week's Play

Vikings Close At Home This Week With Roscommon, East Jordan

The Grayling Vikings after dropping a pair of games last week, a non-conference fray with Houghton Lake, the Vikings ran into a buzzsaw. The Bob Cats moved out to Harbor Springs Friday, are preparing for their final two games of the season, both at home. Tuesday night, Grayling will entertain the Roscommon Bucks in a makeup game postponed from Feb. 8th and on Friday will entertain the East Jordan Red Devils.

Last week in loop action on Friday night besides Grayling's loss to Harbor on a narrow 64 to 62 count, Pellston and Gaylord stayed neck in neck for the loop lead with the Hornets stopping Mancelona 61 to 49 and the Blue Devils whipping Bay City 70 to 44. East Jordan walloped Charlevoix 72-55. This Friday night besides the

game with the Vikings, the

James J. Case, 33, passed away at his home in Frederic Thursday, February 17, 1966. He had suffered a broken back in an accident last fall and never seemed to recover his health.

James was born June 22, 1932 to Mr. and Mrs. Milow Cose of Grayling. He grew up and attended schools here, graduating from Grayling High in June of 1950. He had held the position of clerk in the warehouse at Camp Grayling for the past thirteen years. On December 7, 1957, he was married to the former Loretta Cox of Frederic, who survives him, as well as two children, Delbert and Rodney, a home. Also surviving are his parents, three brothers, Delbert, Eugene and Ronnie, all of Grayling, and two sisters, Mrs. Delores Carr Grayling, and Mrs. Carole Steele, of Aurora, Illinois.

Funeral services were held at eleven o'clock on Saturday, February 19, 1966 at the Sorenson Funeral Home. The Rev. Charles Allen of Gladwin, former Grayling Free Methodist pastor, officiated. Interment was in Elmwood Cemetery.

The engagement of Miss Maxine Guy to Private Donald A. Smith, Jr. is announced by her mother, Mrs. Lou Ann Guy of Hazel Park. He is the son of Mr. and Mrs. Donald A. Smith Sr. of Roscommon, presently serving in the U. S. Army at Fort Carson, Colorado.

Wedding plans have been made for when Donald is

home next.

Regional Chamber Maps Panel Discussion, "Operation AuSable"?

Concern and growing awareness of the economic benefits to the community and area of the AuSable River and its tributaries has spurred the Grayling Regional Chamber of Commerce to schedule a panel discussion, "Operation AuSable" set for 7:30 p.m., March 1st in the Council Rooms at the new Grayling City Hall.

Outdoor writers of many of the downstate daily newspapers as well as editors of newspapers in this area have also been invited to attend the session.

Medicare Eligibles Sought In County

Mrs. Edith Paul, Community Aide for Alert for Crawford County, states statistics show there are 60,000 persons in Michigan who may not know they are eligible to sign up for Medicare, and who have not yet been contacted.

Earl Longworth, Grayling Chamber Manager said, "For the past several years the people of the Grayling Region have been increasingly aware of the major importance of our famed AuSable River and its tributaries to the economic livelihood of our area."

"These same dedicated people are also aware that to perpetuate this watershed, as we now know it, is going to require action now and in the ensuing years to come. The board of directors of the Grayling Regional Chamber of Commerce has designated the Chamber to spearhead "Operation AuSable,"

Mr. Longworth continued, "Operation AuSable" is dedicated to preserving our AuSable River and tributaries not only as a clean, unpolluted, litterless river, but a river which will furnish generations to come a means of wholesome recreation in all its uses, he added.

"We fully realize the vast recreational potential of this watershed. We have seen it grow as fishing waters, canoeing waters, and its banks as homesites for vacationers and private homes. We cannot stop this progress, but it should be in our power to direct this progress into channels that will be beneficial for our region, and to perpetuate the river as we now know it," the Chamber Chief stated.

Among those invited to take part on the panel are: Harold S. Cliff, City Manager of the City of Grayling; Bernard Fowler, Grayling Township Supervisor and chairman of the Crawford County Board of Supervisors; Bruce Smith, canoe liver operator and president of the Canoe Livery Association; Dr. Ralph McMullen, director of the Michigan Department of Conservation; Harry R. Hall, executive vice president of the Michigan State Chamber of Commerce; Norman Stephan of the AuSable Property Owners Association; Norval Stephan of the AuSable River Guides Association; Dr. Donald Woomer of Trout Unlimited; Joe Lovely and Mrs. Paul will contact you with an application.

The Grayling Vikings could be the dark horse in the race for the trophy. Playing on their home floor will give them some advantage. At a few times this year, the green and white have played out-standing team ball but at other times have appeared weak and ineffective. Their chances for a win in the tourney will be mostly determined on their mental attitude in their contests.

However in the world of tenacious tournament rivalry sometimes seasons statistics can be thrown out the window. It will be about 9:30 next Saturday night before anyone can say with certainty who the champions of District 104 in Class C high school basketball really are.

Admission to cage tournament games is set by the Michigan High School Athletic Association and will be: adults \$1.00, students 50c. The same admission charge will be made for all three of the games.

Four County Students In MSU Scholarship Test

Over last weekend, four students from Crawford County took the Alumni Distinguished Scholarship test at Michigan State University at East Lansing. Those taking part were: Tom Koernke from Fredrick High School and Rhea Stripe, Linda Knibbs and Robert Ashman of Grayling High.

On Friday, these four plus about 1,500 other high school students from all across the United States got acquainted with the University and had interviews with faculty members in each student's particular chosen field. On Saturday all of the students took the test.

Results will not be known until in April. Ten of these scholarships are available and with over 1,500 high school students seeking them, the competition is very keen. The Crawford County students stated that the trip was most interesting and very rewarding regardless of the outcome.

The feasibility study by Dr. Smith covered 4 areas of concern, the first of which was, "Should the Community College be a part of another school district or should it have its own governing board of local citizens?" Secondly, it analyzed our area as to whether there is a need for a Community College. Thirdly, the study analyzed whether or not the area had a large enough tax base to support a Community College, and lastly, the study analyzed criteria for selecting a site and the kinds of classroom needs. The study showed there is a lack of adequate post-high school education facilities in the four county district.

Crawford County Avalanche

Letters To The Editor

February 9, 1966
 Mr. Robert Strong, Editor
 Crawford County Avalanche
 Grayling, Michigan.

Dear Bob:

In January we received a letter from the State Tax Commission which I thought might be of interest to the people of our County. The letter read as follows:

"In response to your letter of recent date requesting to be advised what the State Tax Commission policy is in determining State **equilized valuation**, please be informed that your letter was considered at a meeting of the Tax Commission on December 22, 1965 and I was directed to inform you that the State Tax Commission will observe the provisions of Act 409, P. A. 1965, and that state **equilized valuation** will be 50% of true cash value".

What this really means is that if I should assess at 25% of cash value it will be necessary to spread two mills for every one mill allocated or voted to arrive at the proper tax dollar.

If I might add my own personal opinion, I think the tax payer will have a much truer picture of the whole property tax situation if we keep our assessment percentage closer to what the State Law requires and leave only a small amount to be made up by millage adjustment. That way if you vote a mill for something you can be pretty sure it will be reasonably close to one mill when it is spread on the roll instead of 1.62 mills which it was necessary to spread in Grayling Township in 1965 for every mill authorized.

Sincerely,

B. J. Fowler, Chm., Crawford County Bd. of Supervisors.

Dewey Palmers Mark Golden Anniversary

Mr. and Mrs. Dewey Palmer celebrated their golden wedding anniversary on February 1st with members of their family and a few friends. Mr. and Mrs. Junior Palmer and family, Mr. and Mrs. Leo Palmer and family, and Mrs. Marion Burch were the relatives present. Mrs. Joseph Lennert, a daughter, was in California. The senior Palmers had expected to visit her there this winter but have not yet done so. A beautiful three-tiered wedding cake brought by Mrs. Leo Palmer was cut by Mrs. Dewey Palmer and served with coffee.

The former Doris Deckrow and Dewey Palmer were married in Grayling February 1, 1916. They made their home and raised their family here, with the exception of the time spent by Mr. Palmer working for the Ideal Plumbing Company, in Bay City for eleven summers. Even then he continued his work with his father-in-law, Frank Decker, in the plumbing business during the winter time.

The senior Palmers, with Mr. and Mrs. Junior Palmer and Mr. and Mrs. Art Crouch had the day before their anniversary returned from a trip to Canada to Chapleau by train from Sault Ste. Marie, which in wintertime is quite different from the summer scenery. The group left on Friday and returned home Monday. They had an unexpected lay-over at the little town of France on the way up. Enroute home, the train stopped at Trout Lake first to pick up Bill Worden, who had been with Joe Cinciala, Clarence Roberts, Clement Blaine, Clint Bancroft and Hurl Deckrow at their camp, and which it was necessary to spread again to pick up the group including Jack Millikin, Gus Williams, Bob LaMotte, Llywn Doremire, and Jerry Korhonen, who had been at their camp. The time was spent visiting and at cards, most enjoyable.

Mr. and Mrs. Matt Bidvia returned home Monday of last week after they had spent the weekend visiting their daughter and family, the Russell Ballingers at Wayne. Mrs. Bidvia was in the University Hospital at Ann Arbor on Friday for a checkup previous to their visit, and while there visited her brother-in-law V. R. Stolle of Tokyo, Japan, who had spent the past month in the University Hospital. He was released Friday and began his home journey Tuesday of last week. On their way home Monday the Bidvias stopped at Roseville to visit their sister, Mrs. R. H. Koch, whose husband has been very ill for some time.

Town N'Country TV will be closed from February 26 until April 1st.

Mrs. Marlene Feldhauser drove to Metropolitan Airport in Detroit February 11 and met Lt. Gary Green of Huntsville, Ala. They were guests of Sgt. and Mrs. Cecil Donithan in Detroit Saturday and Sunday, Mrs. Feldhauser returning home Monday of last week.

Orders now being taken for cemetery markers and monuments for Memorial Day. Orders given prompt, careful attention. Your patronage appreciated, terms may be arranged. Carl Hanson, Box 75, Grayling, or phone 348-9141.

The Alvin Moores returned home Wednesday, the 16th after a ten-week stay in Florida where they visited relatives and friends, among them the Arthur Howses and Johnnies Petersons at Intercession City. Mrs. Moore celebrated her 29th birthday anniversary, January 29th, at the Howses! She also made a phone call to the Frank Smiggins home in Ft. Lauderdale and was very pleased as well as amazed to find that Mrs. Smiggins, after twelve years, knew who she was before Mrs. Moore identified herself. Mrs. Smiggins asked to be remembered to former Grayling friends.

There's No Color Line On The Front Line . . .

When the call is TO ARMS, there is no preferred list of heroes, leaders or supermen — cross-indexed by genealogy, heredity, religion, geography or fraternity — from which America can draw the names of its defenders at the front line. Victory is ultimately found in the strength, courage, patriotism and sacrifice of every man called out to fight. Bar none—Negro, white, Christian, Jew, Phi Beta Kappa or high-school dropout.

The call to arms reaches mansions and tenements, most families on every street in every suburb and ghetto. And when worn proudly and courageously, the uniform looks handsome on every Tom, Dick or Harry.

When the order TO BATTLE STATIONS is sounded, the enemy, too, becomes color-blind and so does every bullet, bomb and bayonet. But behind each firing line, there is another kind of color-blindness that matters most: Brotherhood. Here, when the chips are down, the instinct of the human being to help, to love and to sacrifice overcomes the human frailty of hatred, prejudice and denial.

Recently in Viet Nam, a Negro paratrooper kneeled to give mouth-to-mouth resuscitation to a dying white comrade. Back in World War II a man who would one day become the President of the United States endangered his life to save his buddies in the turbulent waters off a Pacific atoll. And so it has always been — in every front line in every war before, the brave have always acted in language of brotherhood.

And today, in our war on prejudice, brotherhood is leading us to an ultimate victory.

This is the important message of Brotherhood Week, sponsored by the National Conference of Christians and Jews — a civic organization of religiously motivated people dedicated to building better human relations among all men without compromise of individual conscience. In a spirit of good will and respect for the rights of others the NCCJ seeks to eliminate intergroup prejudice through a year-around education program.

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

February 25, 1943

An informal meeting was hurriedly called here of state highway engineers, city officials and interested local citizens last week Thursday evening. It was held at Grayling Township hall. The purpose of the meeting was to consider the matter of rerouting U. S. 27 thru the city. It seems that the army officials have demanded that the route be changed from the present one running by way of Cedar Street to McClellan and past the cemeteries on account of that route running too close to the airport. Nothing definite was settled, however it was the intention to make no radical changes that might cause losses to those business places located on Cedar St. There was some talk that the route should leave Cedar at Lake and proceed east past the Catholic church, thence past the Peter Madson residence and on toward Frederic. Should a change be made, and it appears mandatory, it is necessary that the present route past the airport must be closed to public travel by April 1st.

T. P. Peterson succeeds Fr. Branigan as chief observer of aircraft warning service. Mr. Peterson states that a new schedule is being made, and each day will be supervised by the following: Sunday—Sheriff John Papendiek, Monday—Norman Butler, Tuesday—Emil Giegling, Wednesday—George Granger, Thursday—T. P. Peterson, Friday—A. J. Nelson, Saturday—Frank Bond. Observers will be responsible to one of the above named. Please do not call anyone in regard to hours until the schedule has been revised, then you will be called upon to determine if the hours set for you will be satisfactory. Mr. Peterson asks the cooperation of everyone in keeping someone on duty twenty-four hours a day, in order to be of any value this is necessary. Observers will be given identification cards showing day and time he serves in the post.

Miss Martha Kolka, second oldest daughter of Mr. and Mrs. Dan Kolka, was united in marriage on February 20, to Joseph McMann, son of Mrs. Clara Livingston of Roscommon. The marriage was solemnized in Norfolk, Va., where the groom is stationed in the U. S. Navy. The bride, who attended Grayling schools, has been employed in Detroit for some time. She is remaining in Norfolk for the present.

Private First Class Elmer G. Kellogg, son of Mr. and Mrs. James E. Kellogg of Grayling, is fitting himself for shop practice afield. He has reported to the Armored Force School Wheeled Vehicle Department upon orders of Lt. Gen. Jacob L. Devers, Chief of the Armored Force.

Mr. and Mrs. Dale Penny and family of Toledo are visiting at sum has been realized to help with the home of the latter's parents, Mr. and Mrs. Dophin SanCartier.

Happy Birthday was the shout of the guests at the surprise party on Harry Houlton Saturday night. There was plenty of exciting entertainment, as the Houltons are splendid hosts. A lovely lunch was served late in the evening. Those present were Mr. and Mrs. George Skinner of Frederic, Mr. and Mrs. Walter Korhonen and Douglas Gierke.

Six girls were present at the home of Mrs. William Wilson February 18 in honor of Miss Geraldine Golnick on whom a surprise birthday party was given. A gay evening was spent dancing and several lovely gifts were received. A nice lunch was served later in the evening by the hostesses Betty Lou and Louise Wilson.

Mr. and Mrs. Leo Koerper spent the weekend in Detroit.

Mrs. Rose Duvall and son Larry Lee of Peoria, Ill., are visiting with their father and mother Mr.

Chalks up 24.5 mpg, too!**

**And it's still the
lowest-priced car made
in the U.S.A.!***

Our '66 Rambler Americans are full of surprises.

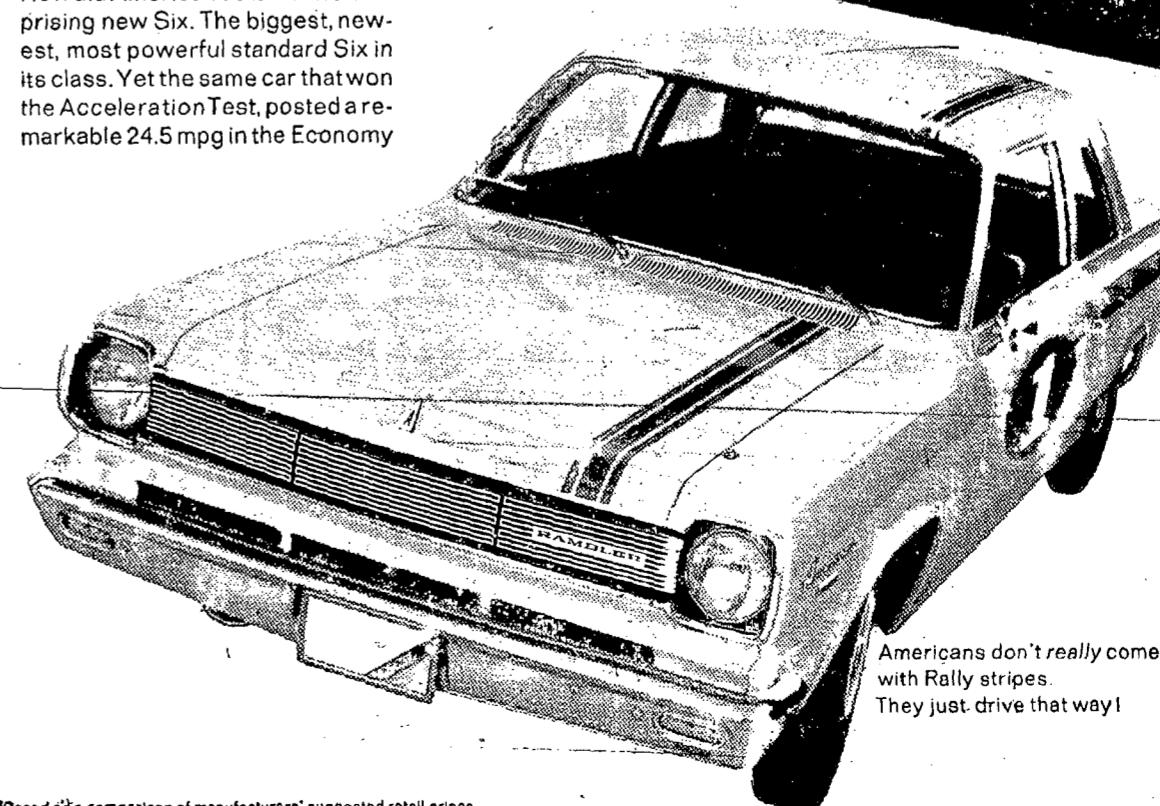

Two of them just knocked off Corvair, Falcon, and Dart, finishing 1,2 in the Class VI Acceleration Test in the NASCAR-supervised '66 Pure Oil Performance Trials. Proof of more power for safe passing.

How did American do it? With a surprising new Six. The biggest, newest, most powerful standard Six in its class. Yet the same car that won the Acceleration Test, posted a remarkable 24.5 mpg in the Economy

Test. (And that was with automatic transmission.)

The Rambler American 220 two-door (shown below) still carries the lowest price of any U.S. car. And now during his "Big Win Weeks" celebration, your American Motors/Rambler Dealer is pricing his Americans lower than ever.

District Band Festival

The Grayling High School Band will be performing at the district festival to be held in Traverse City on February 26. This festival is the high point of the year. Bands from all over Michigan perform. The bands have been practicing for this ever since the beginning of the school year. Each band plays three pieces, two of their own choice and one that is required. Their selections have to be an overture and a march. They are judged according to their own skill for such things as appearance, intonation, ability to follow the director, timing, and all around performance.

Our band, under the direction of Mr. LeRoy Christian, will be playing in Class D. The required overture for this class is "Green Meadows", which was composed by Eric Hanson. This is a very difficult overture with many meter and signature changes and solos from different sections of the band. Our chosen concert march is "Totem Pole," composed by Eric Osterling. For our overture, we have chosen "The Good Daughter", N. Piccinini composed it and it was scored by Eric Osterling. After playing these three pieces in front of three judges, we go to the sightreading room. Here we play an overture and a march which we have never seen before.

We have spent many hours of hard practice in preparation for this festival. Last year we received a II division rating. This year we hope to do just as well or even better by getting a I. Bands receiving a I have the opportunity of going to the finals. We have set this as our goal and are trying hard to attain it.

Jeanette Skolasky, band rep.

BITS O' TALK

Mr. and Mrs. Thomas Stancil and Mrs. Ann Olson were in Cadillac Wednesday last to see the Ink Spots at Pine Gardens.

Mr. and Mrs. J. L. Martin received word last week of the death of George Arthur Wilbur, Mr. Wilbur, a former Grayling resident succumbed in Lansing Wednesday morning, February 16th. Services were held at the Estes Leadley Funeral Home Saturday morning. Mr. Wilbur was a 60-year member of the Grayling Masonic Lodge 356 F. & A.M. Among his survivors is Mrs. Mary Jorgenson, a niece.

Our band, under the direction of Mr. LeRoy Christian, will be playing in Class D. The required overture for this class is "Green Meadows", which was composed by Eric Hanson. This is a very difficult overture with many meter and signature changes and solos from different sections of the band. Our chosen concert march is "Totem Pole," composed by Eric Osterling. TO SCREEN FILM ON "CLEAN WATER"

Will our children always be able to swim in our lakes and streams? America has always been known as God's country. What responsibility do we have to keep it this way?

These questions and many others concerned in the matter of water pollution will be covered in the Michigan Health Department's film "Clean Waters", which is being

shown free as a public service at the R. L. D. S. church at Smith and Plum Streets in Grayling by members of the church. The film, in color and sound, will be filmed at 8 p. m. on Monday, February 28. Following the screening, information will be available as to cleaning agents which break down completely rather than remaining a water and soil pollutant.

The public is cordially invited to see this film, for which there is no charge.

Controlled heat is the real secret of great cooking. It begins with the quick response of a Gas flame... Because there are no heating coils to warm up, cooking action starts as soon as you turn on the burner. And stops the instant you turn it off. Need more heat or less heat? Set it and get it—as fast as you can turn the control. Control is the reason Gas makes good cook better. It can do for you.

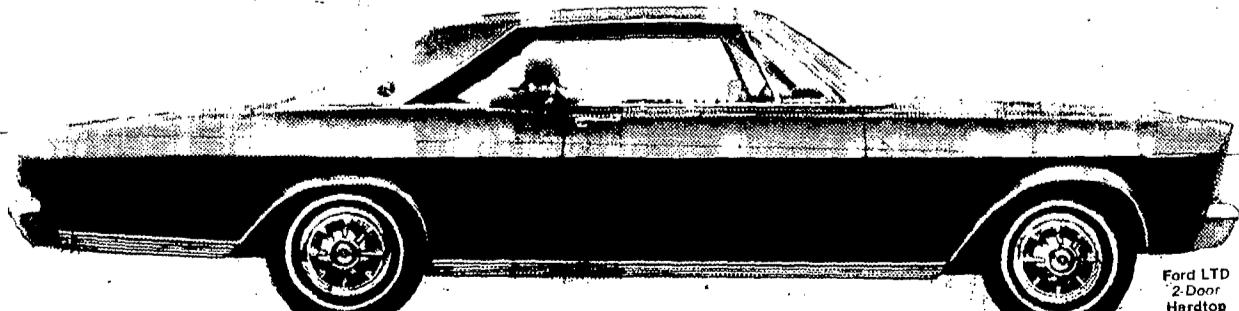

WHEN WE SAY OFF WE MEAN

OFF

I can't tie my shoes yet. But I can change the stereo tape cartridge in our '66 Ford. You just pop it in. Our Ford also has a light that warns my father if a door's ajar. And one switch that locks all doors. Ford makes things work easy.

(I wish they made shoes.)

Clip your feet into a fast-selling '66 Ford and see how easy life can be. Take Ford's handy twin-edge ignition key and start one of the world's quietest riding cars. Turn on Ford's stereo tape player (available on all models) and enjoy the music of your choice. Lock or unlock all doors with one switch

on the optional Safety/Convenience Control Panel. Settle back in the rich interior of an LTD by Ford. Try Ford's Magic Doorgate for wagons. Swings out like a door for people and down like a tailgate for cargo. Discover Ford's Engineering Magic for yourself. Take a '66 on the Q.T. (Quiet Test).
